Letter from the Executive Vice President

Dear Corporate Sponsor:

Please allow me to introduce to you the American Osteopathic Colleges of Ophthalmology and Otolaryngology-Head and Neck Surgery (AOCOO-HNS). This entity is an Affiliate College of the American Osteopathic Association. As all similar National Specialty Colleges, its primary role is to oversee Post Graduate Education in the Residency/Fellowship years of Training. In addition, the College is also an Affiliate Society, with Board of Governor status to the American Academy of Otolaryngology-Head and Neck Surgery and Councilor status to the American Academy of Ophthalmology.

It is these combined duties and responsibilities for ensuring to our Residents Quality Training, and to the Public Quality Care, that prompts me to write to you. We ask your Organization to become a Corporate Sponsor to our Foundation. Your support will help us in attaining these goals.

The AOCOO-HNS Foundation, Inc. Annual Clinical Assembly (corporate tax I.D. # 15-1457551) has the following specific areas that encourage corporate support:

- Annual ACA program (as listed above).
- Guest speaker's honorarium and/or travel expenses.
- Afternoon optional workshops.
- Unrestricted educational grants.
- Motivational lectures, i.e., A.B. Crites memorial lecture.

The AOCOO-HNS Foundation, Inc. also has very specific areas that need corporate support that are directly related to resident training and research.

- **Resident travel grants.** The Foundation encourages corporate sponsors to support travel grants for our residents in order to attend the Annual Clinical Assembly. It is at this time that the resident, by participating in our meeting, develops lasting commitments to education, scientific and research endeavors. The AOCOO-HNS Board of Governors and the Foundation Board of Directors both agree that the future of this annual meeting is the participation and support of our young members.
- **Corporate contribution**
- **Memorial contribution** (in honor of, i.e., past president, residency program director, member who has made a significant contribution to the profession, or deceased member).

92nd ACA of the AOCOO-HNS Foundation

The American Osteopathic Colleges of Ophthalmology and Otolaryngology-Head and Neck Surgery Foundation, Inc. is preparing for another educational conference and trade show — 92nd Annual Clinical Assembly — at the Camelback Inn in Scottsdale, Arizona, May 7-11, 2008.

If you have participated in one of our previous meetings, you know that the ACA Professional Program Committee continues to make improvements in the annual meeting. We are committed to providing quality educational lectures for 400 anticipated attendees, as well as afternoon workshops, and optional video lecture labs.

We are also dedicated to our ongoing commitment to serve continental breakfast and mid-morning coffee breaks—all inside the Exhibit Area, which encourages personal interaction between the attendee and the exhibitor. Snack lunches will be made available for all attendees and exhibitors.

The AOCOO-HNS has added an interactive feature for Exhibitors. The College website (www.aocoohns.org) has a link to the Camelback Inn, as well as to the 2008 Exhibit Prospectus. The entire educational program for both Ophthalmology and Otolaryngology/Facial Plastic Surgery will also be posted to the website. This allows many company representatives, who have regional sales offices in different parts of the United States, to share meeting information with one another.

The ACA Professional Program Committee is dedicated to organizing concurrent afternoon workshops by utilizing the latest advancements in your Company's particular expertise. We hope that you are interested in sponsoring an afternoon workshop and recommend that you contact the AOCOO-HNS Administrative Offices or personally contact the 2008 ACA Professional Program Chairmen, Sirtaz S. Sibia, DO (Ophthalmology) at 561-439-2600 OR Mahmoud M. Ghaderi, DO (Otolaryngology) at 610-328-4800.

Thank you in advance for taking time out of your busy schedule to review our 2008 Exhibit Prospectus, and should you have questions or concerns, please call the Administrative Office (800-455-9404) and we will do our best to help you.

Thank you in advance for your support.

Exhibit Rules and Regulations

Acceptance of Exhibits: Invitations to exhibit are made to pharmaceutical manufacturers and suppliers, hospital and medical equipment manufacturers and suppliers, and other suppliers of products and services to enable surgeons to deliver quality patient care and to successfully and efficiently conduct their medical practice.

The exhibits application is subject to the approval of the management of the Annual Clinical Assembly. The right is reserved to refuse applications for technical exhibits or parts of exhibits not meeting standards required or expected for the Annual Clinical Assembly, and/or for products or services unrelated to the purposes of the Annual Clinical Assembly.

Space Assignment: Priority for space assignment is based upon the number of years a company has exhibited at the Annual Clinical Assembly and further upon the order in which applications are received. Applications for exhibit space should be made on the enclosed application form (see page 7). Exhibitors wishing to avoid assignment of space adjacent to that of a particular competitor should so indicate on their application. Careful consideration will be given to all such requests and initial assignments made on receipt of deposit.

Upon receipt of your application for space, a confirmation will be sent. Booth assignment and hotel registration information will be sent along with confirmation after receipt of exhibit deposit. An exhibitor service kit containing necessary forms for contractual services will be sent after February 28, 2008 by GES Exposition Services.

Payment: The cost of each 8' x 10' booth space, if registering prior to January 31, 2008 is \$2,000.00, and if registering after February 1, 2008 is \$2,750.00, and should be made payable to the AOCOO-HNS Foundation, Inc. A deposit for each booth space, as outlined in the contract, must be included with the application for space. The balance of the cost of space assigned must be received on or before March 15, 2008. If payment is not received in advance of the meeting, set up may not be permitted.

Cancellation Policy: It is agreed that:

1. If a company cancels its space between sixty-one (61) and ninety (90) days prior to the opening date of the meeting, it will be responsible for paying twenty percent (20%) of the total cost of the space.

2. If a company cancels its space between thirty-one (31) and sixty (60) days prior to the opening date of the meeting, it will be responsible for payment of the amount of the deposit.

3. When cancellation occurs thirty (30) days or less prior to the opening date of the meeting, the company will be responsible for payment of the full cost of the booth space.

Cancellation and applicable refunds must be requested in writing. In the event the canceled space is resold and the entire exhibit hall is sold out, all the canceled exhibitor's deposits/payments will be refunded.

Booth and Sign Information: All standard booths are 8' deep and 10' wide. Standard booths will have modified alternating 8' high back walls with 3' high side dividers. Drapes will not be provided for island exhibits. A booth identification sign measuring 7' x 44" showing the exhibitor's name and booth number will be supplied. All spaces are carpeted. Island booths will be accepted, but models or schematic drawings of the cubic content of the exhibit must be submitted to management for approval based on the physical restrictions of the exhibit area and sight obstruction of adjacent exhibits.

General Conduct of Exhibitors: The following practices are prohibited:

1. Noisy electrical or other mechanical apparatus interfering with other exhibitors.

2. Canvassing or distributing any material outside the exhibitor's own space.

3. Subleasing of exhibit space.

4. Publicizing and/or maintaining any extra curricular activities, inducements, demonstrations, or displays away from the exhibit area during the meeting and exhibit hours.

5. Contests, lotteries, raffles, games of chance, or any unauthorized give-away items, as well as the display or promotion of special discount offers.

NOTE: Promotional items must be germane to the practice of medicine and/or any item which can be used by the attendee during the meeting.

6. The purpose of the Annual Clinical Assembly's exhibit program is to further the education of the attendees by providing an area of exhibitors to present information on products or services pertinent to their

professional interest. In keeping with this purpose, sales and order-taking (entering into a contract for sale) are prohibited on the exhibit floor and other related convention areas during this meeting. Names and addresses of participants will be furnished to each exhibiting company.

Unethical conduct or infraction of rules on the part of the exhibitor or its representatives will subject the exhibitor or its representatives to dismissal from the exhibit hall, in which event, it is agreed that no refund shall be made by the Annual Clinical Assembly and that no demand for redress will be made by the exhibitor or its representatives. Management may reenter and take possession of the exhibit space and remove all persons and goods at the exhibitor's expense. Any damages incurred by management to the exhibit will be the responsibility of the exhibitor. Exhibitor expressly waives the service of written notice to reenter and terminate.

Liability: Exhibitor acknowledges that the organizations and disciplines of the Annual Clinical Assembly of the AOCOO-HNS Foundation, Inc. and the Camelback Inn do not maintain insurance covering the exhibitor's property, and that it is the sole responsibility of the exhibitor to obtain business interruption and liability insurance up to one million dollars combined single limit for bodily injury and property damage insurance to cover such losses by exhibitor.

Security: As a courtesy to exhibitors, the Annual Clinical Assembly of the AOCOO-HNS Foundation, Inc. will employ a perimeter guard service during hours deemed necessary by exhibits management. You are reminded, however, that this is an open booth show and that you have primary responsibility for safeguarding your exhibit and your merchandise. While reasonable care will be exercised, the Annual Clinical Assembly, the Camelback Inn, and the security contractor assume no liability, jointly or separately whatsoever for loss or damage through any cause, of goods, exhibits, and other material owned, rented, or leased by the exhibitor.

Fire Protection: All exhibits must conform to the fire laws, health regulations, electrical codes, and other ordinances of the City of Scottsdale, Arizona. The hotel has a sprinkler system, smoke detectors, and a fire alarm system on its premises. All materials used in the exhibit must be flameproof and fire resistant. All materials are subject to the inspection of the area Fire Prevention Bureau, and its regulations shall govern. Crepe paper, corrugated paper, flameproof or otherwise,

Exhibit Rules and Regulations

and inflammable fluid or substances are not permitted. Any exhibits or parts thereof found not to be fireproof may be ordered dismantled at the exhibitor's cost and risk.

Meeting Cancellation: It is mutually agreed that in the event of cancellation of the 2008 Technical Exhibits due to fire, strikes, governmental regulations, or causes which would prevent its scheduled opening or continuance, then and thereupon this agreement shall be terminated and the management of this meeting shall determine an equitable basis for the refund of such portion of the exhibit fees as is possible, after consideration of expenditures and commitments already made.

Furniture - Labor - Electricity: The Official Decorator for the 2008 meeting is: GES Exposition Services, 2001 S. 15th Avenue, Phoenix, AZ 85027, (602) 567-1007, fax (602) 252-0688.

Order forms will be sent to each exhibitor to ensure prompt handling of requests for furniture, labor, and rental of exhibit modules. Exhibitors are urged to submit their orders for furnishings, electricity, and labor NO LATER than two (2) weeks prior to the opening to minimize delays during exhibit set up. The exhibit floor is carpeted.

Independent Contractors: Exhibitors using the services of an independent show decorator/installer must notify the management of the Annual Clinical Assembly of the AOCCO-HNS Foundation, Inc., in writing, at least three (3) weeks prior to the show. All independent firms must abide by the following regulations:

1. Service firms must submit the names of all the companies engaged by them to install and/or dismantle by March 15, 2008.
2. A copy of the insurance certificate carried by the independent service firm must be on file with the AOCCO-HNS Foundation, Inc.
3. All outside contractors must conform with union regulations. Arizona is a right-to-work state. Please comply with union regulations for all freight handling, display installing and dismantling, and electrical hookups. If any exhibitor fails to obtain prior consent by the AOCCO-HNS Foundation, Inc. management, the exhibitor will indemnify and hold the Annual Clinical Assembly of the AOCCO-HNS Foundation Specialists, the Camelback Inn and GES Exposition Services harmless for

all liabilities and expenses incurred by the exhibitor arising from the use of non-approved contractors.

Installation: Wednesday, May 7th, 2008, 2:00-6:00pm. Booths will be ready for occupancy by exhibitors after 2:00pm. A labor crew will be available during the time of installation in accordance with advance orders; exhibitors are urged to order in advance all services required. Installation must be completed in time for the official opening time, Thursday, May 8th, 2008 at 7:00am.

Wednesday, May 7th—set up 2:00-6:00pm
Thursday, May 8th—7:00am-2:00pm
Friday, May 9th—7:00am-2:00pm
Saturday, May 10th—7:00am, tear down may begin any time after 10:30am

As a courtesy to the attendees and your fellow exhibitors, the Annual Clinical Assembly requests that your booth be opened on time each day and staffed during exhibit hours. Dismantling: Saturday, May 10th, 2008 any time after 10:30am

No packing of equipment, literature, etc., or dismantling of exhibits will be permitted until the official closing time. All exhibit crates will be returned as promptly as possible and must be packed for removal from the exhibit area by the latest hour of dismantling. Any material that is left in an exhibit booth after 12:00 noon on Saturday, May 10th, 2008 will be forced bill of lading to the drayage contractor warehouse.

IMPORTANT: To avoid any loss or damage to your equipment, please remain with your exhibit until crates are delivered, materials packed, sealed, and labeled, and bills of lading accepted by your shipper or its representative.

Shipping and Installation Instructions: GES Exposition Services will be handling all shipping and freight storage. For contact information, call Rick Sasso at 602-567-1007.

Registration: The AOCCO-HNS Foundation, Inc. registration will officially open Wednesday, May 7th, 2008 at 12:00 noon. Booth set up will begin at 2:00pm and exhibitors will have access to the exhibit area through 6:00pm.

Thursday 7:00am to 2:00pm

Friday 7:00am to 2:00pm
Saturday 7:00am, tear down may begin after 10:30am

Hold Harmless and Insurance Agreement: Exhibitor assumes entire responsibility and hereby agrees to protect, indemnify, defend, and save the organizations and disciplines of the Annual Clinical Assembly of the AOCCO-HNS Foundation Specialist, the Camelback Inn, and their employees, agents, successors and assigns harmless against any and all claims, actions, causes of action, losses, and/or damages to persons or property, governmental charges or fines and attorney fees arising out of or caused by exhibitor's installation, removal, maintenance, occupancy, or use of the exhibit premises or a part thereof, excluding any such liability caused by the sole negligence of the Annual Clinical Assembly or the Camelback Inn, their employees, agents, successors and assigns.

General: All matters and questions not covered by these regulations are at the discretion of exhibit management. These regulations may be amended at any time by management, and all amendments that may be so made shall be equally binding upon publication on all parties affected by them as the original regulations.
