

## COUNCIL OF REGIONAL REPRESENTATIVES

If you are a Member that has never held a Board or Committee appointment, or is currently NOT involved on any Boards or Committees and want to GET INVOLVED – here’s your chance.

The AOCCO-HNS Board of Governors has determined that in order to better serve the Membership, that a Council of Regional Representatives (“CRR”) be established.

### **Mission**

To facilitate better interaction between the Colleges Membership and the Elected Boards by encouraging an opportunity for discussion, and even complaint, to College Members.

### **Composition**

Each region (1-6) will be composed, initially, of 2-3 representatives, one being named spokesperson. From the 6 spokespersons, one will be elected Chairman of the CRR. The Chairman will have a voting position on their respective College Board.

### **Regional Meetings**

Our hope is that each regional spokesperson will contact and converse (via phone and/or email) with their fellow regional members for the purpose of developing a compilation of material that would represent concerns, wishes and recommendations of these members, and then have these issues presented to the other regional spokespersons.

We intend to have two meetings a year, one held during the Annual Clinical Assembly, the other held during the Mid-Year Seminar. These two semi-annual CRR meetings will be attended by the regional spokespersons. The Chairman of the CRR will attend all College Board meetings, and advise the Board as to the recommendations of the CRR.

## OUTLINE OF REGIONS

Region 1	Connecticut, Delaware, Massachusetts, Maryland, Maine, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island and Vermont
