*An ophthalmology attendee may earn up to a total of **30 hours** by also attending afternoon workshops.*

#### **Otolaryngology CME Breakdown (estimated)**

Thursday, 5/11/17	
Educational Program	8
Friday, 5/12/17	
Educational Program	8
Saturday, 5/13/17	
Educational Program	8
<b>TOTAL</b>	<b>24</b>

*An otolarngology attendee may earn up to a total of **30 hours** by also attending afternoon workshops.*

**PROGRAM PURPOSE:** The AOCOO-HNS is committed to providing the highest quality continuing medical education by developing, monitoring

and maintaining educational standards for ophthalmology, otolaryngology-head and neck surgery, facial plastic surgery, and otolaryngic allergy. Consistent with this goal is the recognition that continuing medical education for the Colleges is essential. This CME program sponsored by the AOCOO-HNS is designed to assist in keeping the members informed of pertinent new developments in the diagnostic and therapeutic aspects of patient care as it relates to evidenced-based medicine for ophthalmology, otolaryngology-head and neck surgery, facial plastic surgery, and otolaryngic allergy.

The scope of the programs offered are a result of recommendations by the AOCOO-HNS Board of Governors and Professional Program Committee, as well as input from attendees course evaluation comments. The AOCOO-HNS is accredited by the American Osteopathic Association to provide Category 1A continuing medical education.

**CME GUIDELINES:** Attendees of the 101st ACA will be required to sign in and sign out each day. Attendees are required to complete and sign a CME CREDIT STATEMENT for the educational course activities and optional workshops. The indicated number of credits as outlined by the attendee on the CME CREDIT STATEMENT will then be reported to the American Osteopathic Association. More advanced methods of attendance verification may be implemented during this meeting.

# OPHTHALMOLOGY LECTURES
