

**AMERICAN OSTEOPATHIC ASSOCIATION
RESIDENT'S ANNUAL REPORT FOR
GENERAL SURGERY and/or
SPECIALTY TRACK INTERNSHIP**

American Osteopathic College of Otolaryngology-Head and Neck Surgery

Name of Resident _____ AOA # _____

Mailing Address _____

Daytime Phone (_____) _____ Email _____

Base Training Institution _____

Address _____

Name of Program Director(s) _____

Year of Training: ___ General Surgery ___ Specialty Track Intern Report Period: From _____ To: _____
mo/day/yr mo/day/yr

List hospital(s), length of each rotation, and identify rotation (as it applies to the specialty track intern):

A.	_____	_____	_____
	Name of Hospital	Length of Rotation	Rotation
B.	_____	_____	_____
	Name of Hospital	Length of Rotation	Rotation
C.	_____	_____	_____
	Name of Hospital	Length of Rotation	Rotation
D.	_____	_____	_____
	Name of Hospital	Length of Rotation	Rotation
E.	_____	_____	_____
	Name of Hospital	Length of Rotation	Rotation

You are requested to use the above listing(s) as a way to identify the location of the facility in which each procedure was performed. Use the letter of the facility from above along with the number of procedures as you fill out each area of the segregated totals (i.e., b-3, c-5, etc.) Thus, one would be able to see how many procedures of each type are done in the base or an outside hospital.

Total # of Major Procedures _____ First Assistant _____ Performed Under Supervision _____

Total # of Minor Procedures _____ First Assistant _____ Performed Under Supervision _____

Total Surgical Mortalities _____

INSTRUCTIONS:

This form is used by AOA-approved hospitals with residency programs in Otolaryngology and/or Facial Plastic Surgery and/or Head and Neck Surgery and by residents in the completion of their required annual reports. For your convenience, this form is compatible with the codes and nomenclature found in the ***International Classification of Diseases (ICD)***, 9th Edition, which is used by medical record administrators. Please complete the entire form within thirty (30) days of the completion of EACH TRAINING YEAR and forward to the appropriate office as indicated below.

One copy of this report with supporting documentation are to be mailed to the American Osteopathic Colleges of Ophthalmology and Otolaryngology-Head and Neck Surgery (AOCOO-HNS), **4764 Fishburg Road, Suite F, Huber Heights, OH 45424** within thirty (30) days of completion of each contract year. Failure to meet the deadline for submission may result in delayed evaluation by the specialty college.

I certify that the information on this form is correct and accurate.

MINOR SURGERIES						
Basic principles of wound care						
Opening of abdomen	54.19	49000				
Closing of abdomen	54.63	49001				
Excision of skin lesions						
Benign		11200-00				
Malignant		11600-11646				
Excision of subcutaneous lesions	86.3	11400-71				
Repair of laceration	86.49					
Simple		12001-18				
Complicated		12031-152				
Critical care monitoring						
Placement of arterial line	38.91	36620				
Placement of central venous line	38.93	36489				
Placement of Swan-Ganz catheter	89.64	93503				
Enteral support						
Placement of nasojejunal feeding tube	96.6	43755				
Percutaneous endoscopic gastrostomy	43.11	43750				
Permanent gastrostomy	43.19	43832				
Jejunostomy						
Needle	46.32	44015				
Tube	46.39	44016				
Placement of Infusaport	86.06	36493				
Placement of Hickman/Broviak Groshong catheter	38.94	36494				
Implantable venous access device	86.07	36495				
Excision of lymph node (biopsy)	40.11	38500				
Needle liver biopsy	50.11	47000				
Needle aspiration of thyroid	06.01	60100				
Anus						
Fissurectomy	49.39	46270				
Fistulectomy	49.12	44600				
Drainage of perianal abscess	49.93	46050				
Pilonidal cystectomy	86.21	10080-81				
Hemorrhoidectomy						
Injection therapy	49.42	46500				
Rubber banding	49.45	46221				
Infra-red coagulation	49.44	46222				
Cryosurgery	46.44	46223				
Laser		46224				
Surgical Excision	49.46	46255				
Breast						
Drainage of abscess	85.0	19020				
Excision of recurring suppuration		19112				
Aspiration/needle biopsy	85.11	19100				
Excision of breast mass	85.21	19120
