UPDATED 2019 ACA Keynote Speaker Highlight

Lecture Title: *Physician Burnout – Keep the Fire Lit*!
Presented by **Robert F. Melendez, MD, MBA**

Robert F. Melendez, MD, MBA is an ophthalmologist and a partner of Eye Associates of New Mexico since 2004. He is a Cataract Surgeon in Albuquerque, New Mexico. He also serves as a clinical assistant professor at the University of New Mexico (UNM) Health Sciences Center teaching medical students, and is passionate about mentorship and leadership development. He just completed his term as President of the UNM School of Medicine Alumni Association and is working on a leadership book entitled: *Focus on Your Passion, Not the Position.*

Dr. Melendez earned his medical degree from the University of New Mexico in 2000, where he received the Faculty Award for Excellence. He completed his ophthalmology residency training at the University of Texas Health Sciences Center in San Antonio, TX, where he served as chief resident and was voted resident of the year.

Dr. Melendez helped start the first Chief Resident Leadership Forum in Ophthalmology (2004-2009). He also earned his MBA degree from UNM's Anderson School of Management in 2008. He helped start the Juliette RP Vision Foundation in honor of his mother who was diagnosed with Retinitis Pigmentosa. The Foundation raises funds for scholarships to help visually impaired college students and also for research grants. They are celebrating their 10th anniversary this year and have raised over $100,000.

Dr. Melendez is very involved with the American Academy of Ophthalmology where he has served as the Chair of the Young Ophthalmology Committee, Editor-in-Chief of the ONE Network and now oversees the ONE Network and EyeWiki as Secretary for Online Education.

Dr. Melendez helped start a leadership conference called the LEAP Forward Program for ophthalmology residents attending the AAO Mid-Year Forum in Washington, DC.

Dr. Melendez served as a Lieutenant Colonel as well as a flight surgeon in the New Mexico Air National Guard. He is passionate about leadership development and his youngest son is a cadet at the United States Air Force Academy.

for a Product Theater

"While most practicing physicians understand the importance of asset protection, so few take the time to act on it, until it's too late. That's why I chose Legally Mine to set up my plan, allowing me to focus on my practice. Now that my assets are protected, my estate is in order, and I have an entity lawyer on retainer for all of my corporation's needs, I can get back to worrying about my patients."

DISCLOSURE OF FINANCIAL RELATIONSHIPS

The American Osteopathic Colleges of Ophthalmology & Otolaryngology-Head & Neck Surgery Foundation (AOCOO-HNSF) controls the planning, development and delivery of this CME activity and will strictly adhere to the Standards for Commercial Support established by the American Osteopathic Association (AOA). In Accordance with these Standards, the following decisions will be made free of the controls of a commercial intros: identification of CME needs, determination of educational objectives, selection and presentation of content, selection of all persons and organizations that will be in position to content, selection of educational methods, and evaluation of the CME activity.

All individuals in a position to influence and/or control the content of AOCOO-HNSF CME activities are required to disclose to the AOCOO-HNSF and subsequently to learners that the individual has no relevant financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities.

Listed below are the disclosures provided by individuals in a position to influence and/or control CME activity content. Please note that any individuals not listed on the grid below have reported that neither they nor any member of their immediate family have a financial relationship or interest (currently or within the past 12 months) with any entity producing, marketing, re-selling, or distributing health-care goods or services consumed by, or used on, patients; nor do they intend to discuss an unapproved/investigative use of a commercial product/device.
